

Dear Parents,

We have had another great week of learning in Year 2! We would like to thank Mrs Sapir for visiting us and telling us all about her job as an interior designer. We loved hearing all about the interesting work she does.

English:

We read the story of Cinderella this week as part of our topic of fairy tales. We retold the story and sequenced it using traditional fairy tale language. We spent time finding out about the different characters in the story and we explored different ways to describe them. We tried hard to make imaginative language choices and refer back to the text to support our ideas.

Maths:

We have found fractions of shapes this week as well as finding fractions of amounts. We know how to find halves and quarters in a variety of ways.

Topic:

The children finished creating their plates of healthy food. They considered what food is healthy and used this knowledge to create a collage plate of healthy food.

Jewish Studies

This week in Jewish Studies, we have started learning about Pesach. We learned about the different parts of the Seder plate and began to learn about the Pesach story. Additionally, we started learning about the different parts of the Seder order and began to create our very own Haggadah.

Ivrit

Year 2 started to learn to say שְׂמֵחַ פֶּסַח (Pesach sameach – happy Pesach) חַג שְׂמֵחַ (Chag sameach – happy festival) צִלַּחַת (Tzalachat – plate), בֵּיצָה (Beitza – egg), מַצָּה (Matza) אֵגוֹז (Egoz – nut), פָּרְפָּר (Parpar- butterfly), פֶּרֶחַ (Perach – flower) and אֶפִיקוֹמָן (Afikoman). The class began learning the song בְּעֵגוֹזִים נִשְׁחֶקָה (Be'egozim nesacheka – we will play with nuts) which you can find on https://www.youtube.com/watch?v=peLcC_amjm4

Reminders:

Our week's attendance was 97.78%. Weekly attendance needs to be over 96%.

Please continue to read with the children and hear them read regularly.

Please use Mathletics to consolidate maths skills learnt in school.

Don't forget to visit the school website photo gallery, where you can see what the children have been doing and learning.

Times Tables Rock Stars is a carefully sequenced programme of daily times tables practice. This format has very successfully boosted times tables recall speed for our pupils in Year 2 upwards over the last two years. We are now delighted to announce that we have purchased a subscription to the Time Tables Rock Stars App. This will enable the children to access the resource with ease. If you would like to download the app for free, for use at home with your child's login details (found in their home-school liaison book / diary), please look for the icon below:

Wishing you all a lovely weekend and Shabbat Shalom,

The Year Two Team
