

Dear Parents,

We have had another busy week this week. We continued to develop and rehearse our Leavers' Presentation, adding our own touches. We have also been collecting and making props.

We are also continuing our learning about the Victorians. We have read further in our class reader 'Street Child' and researched differences between the rich and poor in Victorian times.

We have also been master bakers this week – making cakes which we will sell at the Jewish Care Bake sale next week.

JS

This week we have been looking at Birchat Hamazon in more depth. The children have understood the meaning of Birchat hamazon and how it relates to their lives. We also have to acknowledge that everything we have comes from Hashem.

Things you could do at home:

Please read with your child every day and ask them questions to develop their vocabulary and comprehension skills. Talk about their learning each day and, to help with their language, ask them to use lots of exciting vocabulary. Please also discuss what is going on in the news. Children can also explore the meaning of words they are unsure of by using a dictionary. Magic Spell is a fantastic App, designed to help the children practise their spelling. Mathletics is a great way to continue to practise number fluency and reinforce our learning from class.

Reminders

Our week's attendance was 98.46%. Weekly attendance needs to be over 96%.

- Please ensure your children have the correct home learning and return it on the correct days.
- When reading to an adult at home, the children would benefit from being asked lots of questions about what they are reading.
- The children should also be reading their 'home' books as well. The school library books can be changed or renewed on Tuesdays or in Library Club on Wednesdays.
- Please ensure that your child does Hebrew reading every week and the reading is signed. The pages that they need to read are recorded each week in their diaries.
- Please continue to log into Mathletics and TTRockstars; These websites are an excellent way to continue to practise and consolidate skills and knowledge.
- Please ensure your child has their blue diary each day. If they are being collected by someone else to usual, this must be recorded in the diary on the day.
- All boys need to wear a kippah every day and a spare one in their tray. Children need a non-uniform cap in their tray too please. Tzitzit are expected to be worn at all times and tucked in for PE. After a PE lesson, the children are expected to change back into 'full' uniform. Tzedakah is collected every Friday and it would be wonderful if children could bring some in.
- **Please see trips email if you are able to help out on any of our trips.**

This half term, our topic is “Time Tunnel – the Victorians” and we will be reading the book, ‘Street Child’ by Berlie Doherty. If you have a copy at home or are able to purchase a copy, please send into school (named of course!)

Thank you for your support.
