

Dear Parents

Chanukah celebrations are well under way in Nursery. We can't wait to light our candles in school and at home, Thursday night. We have been looking at the Chanukiah, counting how many candles it holds and how we light it (starting with the newest one first). We have made our own Chanukiah out of clay which we look forward to painting next week once it has dried and of course started to sing our Chanukah songs! We grated potatoes to make latkes - they were yummy!

The children have been very busy creating decorations for the schools Chanukah door competition – which will be revealed on Thursday next week! They have been using metallic paint and lots of glitter. The children have been very interested in cutting this week, and have cut so many different coloured pieces of paper.

The children spun dreidels on the carpet, and then decided to spin them in paint, which made lovely pictures.

This week Nursery have gone over the word שלום (Shalom- hello, goodbye & peace) and carried on with learning the word אני - I am (ani) and the phrases בוקר טוב 'Boker Tov' (Good morning) and - להיטראות 'Lehitra'ot' (goodbye/ see you soon), את (At – you, feminine), אתה (Ata – you, masculine) and עכשיו (Achshav – now). The class is learning the songs 'Boker Tov', 'Lehitra'ot' and 'Ani. Ata & At'.

Shabbat Shalom

Miss Genn and Mrs Talisman
