

Dear Parents,

Even though it has been a short week, the children have had a week packed full of learning!

The children learnt about staying safe with the NSPCC programme of 'Pants'. They watched a video about Pantosaurus who is dinosaur who wears pants to cover its private parts. You can find it here <https://www.nspcc.org.uk/keeping-children-safe/support-for-parents/pants-underwear-rule/>

The children have continued to watch their caterpillars grow, they loved seeing how big they have got. We cannot wait for the next stage, where they will turn into chrysalises.

The children had a great numbertastic day on Friday for NSPCC Number Day! They bent their bodies in yoga to make number shapes. The children went on a number hunt around Nursery and Reception to see what numbers they could find.

The children this week have had a wonderful time learning all about Shavuot. We have had fun thinking about our class Ten Commandments as we know that Hashem gave the Jewish people the Ten commandments so that we should live and long and healthy life. We have also made a class Torah with everyone 'writing' their own story which we have rolled into a scroll just like a Torah!

Shabbat Shalom

Miss Genn and Mrs Talisman
