

Dear Parents,

We have had a very productive and busy week this week! We have loved creating our products for Enterprise Week!

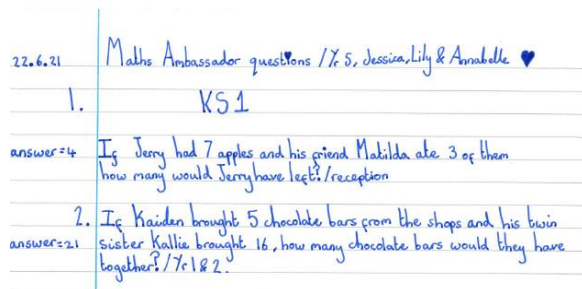

English

This week we have been looking at adverts and persuasive language. The children have been looking at identifying the key features of an advert. The class then planned and wrote a neat version of their advert for their print. These will be uploaded on Seesaw to convince you to buy their beautiful prints.

Maths

This week we have been consolidating our work so far on fractions and measurements. The class revisited measurements for cm and m. The class used rulers to compare measurements and looked at half of centimetres. The class also concluded their work on fractions. We revisited fractions of amounts and how to use pictures to support our learning.

Please see below for the challenge from our Maths Ambassadors:

Other areas of the curriculum – Enterprise Week

This week we have had so much fun making our prints for Enterprise Week. The class began by designing a print using lines and patterns. We then added string to the lines using PVA glue. This acted as a stamp which was then pressed into paint. The class then decorated their prints using a range of mediums. These will be available to buy of the PSA website.

JS

This week Year 2 have worked hard reviewing Hebrew reading rules and script letters. The children were excited to make bookmarks to help them navigate their way around the Chumash.

Another highlight of the week was the Chief Rabbi, Rabbi Mirvis, 'visiting' the school via Teams. He spoke very kindly to the children and answered questions they asked him. The Chief Rabbi was very impressed with the interesting questions the children came up with!

Ivrit

On Thursday we all really enjoyed watching the Festival of Spoken Ivrit, this was a culmination of many weeks of teaching Ivrit lessons, leading up to the show, themed on 'Pinocchio.' The children had the most wonderful time enjoying the show, which had many special effects and was both funny and thought provoking.

Things to do at home

- Please continue to read with your child and ask them questions to develop their comprehension skills. Please encourage your child to upload reading videos to Seesaw. I will review these weekly and leave follow up questions to help develop your child's comprehension skills. Remember you can upload videos to the folder on Seesaw 'English Reading at Home'. This way I can comment on their abilities and respond with follow up questions.
- Review the Year 1 and 2 Common Exception words that can be found on the school website.
- Your child has a list of usernames for a range of different websites that can support their learning at home.

Reminders

- The attendance this week was 100%. Weekly attendance needs to be over 96%.
- School reading books will be changed on a Monday and Thursday.
- A reminder that English home learning is collected in on Wednesdays, please remind your child to hand in their home learning.
- A reminder that JS home learning is collected in on Tuesdays, please remind your child to hand in their home learning.
- Library books are to be brought into school on Wednesdays. You child will receive a new one on Thursdays.
- Your child does not need to bring in a pencil case.
- Please remind your child to bring in their Green Liaison Book each day. This will be our main form of communication going forward.
- Tzedakah is collected every Friday and it would be wonderful if children could bring some in or if you could donate using ParentPay

Shabbat Shalom,

The Year 2 Team
