

Dear Parents,

English

The children learned how to plan a story and reorder the story pictures in groups. All children had a go at writing the original story of Jack and the Beanstalk.

Maths

The class learned how to find a half of an amount using different objects and using shapes, creating their own and completing stem sentences.

Topic

The children learned how animals change as they grow into adults, and which animal group humans belong to.

Jewish Studies

Another wonderful week we have had, learning all fun and exciting things! We learnt how the menorah was lit every day in the Bet Hamikdash and how we have the mitzvah of challah.

Ivrit

This week we continued teaching from our "Eizeh Yoffi" programme. The children had conversations in Ivrit, specifically words about Shabbat and about all the items that we put on the Shabbat table e.g. flowers and the challah cloth.

Next Week

In English, the class will be writing articles for the school newspaper.

In Maths, the children will find a quarter of a shape using different objects.

In JS, we will be continuing our learning on the brachot.

Ideas for things you could do at home

- Practise letter and number formation, ensuring they start and finish in the correct place
- Play counting games and board games such as Snakes and Ladders and Ludo

Reminders

- Our week's attendance was 96%. Weekly attendance needs to be over 96%.
- Library is on a Monday.
- Children's individual reading books are changed on a Monday and Thursday, **if they have finished both books and their reading record has been signed**. Please remind them to hand their reading folders in on these days.
- Write in the link book if your child is going home with someone else.

POINTS TO NOTE

- The children **need** the following in their **PE kits**: black tracksuit bottoms, plain white t-shirt, white socks, PE jumper, white trainers, earring tape (for those that wear earrings).

Shabbat Shalom

The Year One Team

Continuous Provision

The children have worked on the following activities to enhance their learning this week:

Phonics Fun: Fishing out balls with words

Magical Maths: Making equal groups

Geography: Labelling the countries and capital cities of the UK

Creation Station: Mixing primary colours to make secondary colours

Writing Area: Fixing the sentences

Computing: Using a keyboard to write the alphabet and name
